DATE OF THE SUBMISSION/OPENING OF BIDS : November 22, 2018 (9:30 A.M.)

ABC : PHP30,000,000.00

**BID BULLETIN NO. 2**

1. Bidder’s Query/Suggestion

Query/Suggestion	BAC’s Reply
<p>This pertains to the scheduled bidding of “ACQUISITION OF ONE (1) Lot- MOBILE SAR/GSM TEXT BROADCAST SYSTEM” for the use of the Mactan-Cebu International Airport on November 22, 2018.</p> <p>During the Pre-Bid Conference last November 8, 2018, I raised some issues regarding to some technical requirement included in the Terms of Reference (TOR) of the Bidding Documents. We can check the Minutes of the Meeting of the said Pre-Bid Conference for the details so as not to prolong this letter.</p> <p>My primary concern to this letter is to request the BAC to include (in page 72 of Technical Specifications Section of the Bidding Documents) one important qualification of the Bidder which shall be salient for the said acquisition: <b>“THAT THE BIDDER MUST POSSESS A VALUE-ADDED SERVICES PROVIDER LICENSE ISSUED BY THE NATIONAL TELECOMMUNICATIONS COMMISSION (NTC).”</b></p> <p>This additional qualification of the Bidder will be significant because the issue here is not only the ELIGIBILITY OF THE BIDDER TO ACQUIRE the text broadcast equipment, but also his ELIGIBILITY TO OPERATE the said equipment, hence the position of a VAS</p>	<p>Not a requirement. Refer to paragraph 4 of NTC Memorandum Circular No. 01-02-2013 dated February 26, 2013 (Prohibition of Portable Cellular/Mobile Repeater and Portable Cell Site Equipment), as this project is only intended for emergency purposes by MCIAA.</p>

<p>Provider License from the NTC is a major concern. Hence, in addition to the NTC Dealer's Permit as requirement to resell radio frequency equipment, MCIAA will ensure an After-Service Support only from a supplier which is duly recognized by the NTC.</p> <p>May I humbly request also the Bids and Awards Committee that the said bidding should include the <b>CONTRACT FOR SUPPLY AND DELIVERY OF ELECTRONICS AND COMMUNICATION EQUIPMENT</b> such as Handheld Radio, Text Messaging Alert Equipment/System, CCTV, as <b>SIMILAR PROJECT</b> for the Single Largest Completed Contract (SLCC). Please refer to page 48, ITB Clause 5.4 of the Bidding Documents and to the Invitation to Bid (ITB) in PhilGEPS under the category, Communication Equipment and Parts and Accessories.</p>	<p>Similar Contract refer to Digital Communication Equipment AND System, Text Messaging Alert Equipment AND System and/or as defined under paragraph 5.4. page 48 of the BDS.</p>
--	---

2. Bidder must submit during Post-qualification Stage a **Clearance/Certificate from CAAP stating that any wireless equipment or any gadget should not interfere in the existing airport and CAAP facility.**
3. In case of conflict, this Bid Bulletin shall be deemed an amendment to the items and/or statements under the Bidding Documents.

Issued on November 15, 2018.
